As the holding of the weekly shanta at Shiralkoppa Municipality had been prohibited for a period of eight weeks from 4-8-45 to 1-10-45 on account of prevalence of plague infection in a severe form at the place in accordance with the marginally* noted notifications, the contractor represented to the Municipal Council for granting him - remission in the Khist amount, on the ground that he had sustained loss on account of the closure of the weekly shanay during the period referred to above
